As the Charter Representative, I understand that when adding and/or removing board members, the Charter Holder must maintain consistency with the number of members set forth in the current bylaws or operating agreement. My signature above verifies that the change(s) requested will maintain the correct number of board members, as required by the bylaws or operating agreement.

The Charter Principals are the Officers, Directors, Members, and Partners of the corporation that is the Charter Holder. As the Charter Representative, I understand that these must be the same individuals who are identified through filings with the Arizona Corporation Commission ("ACC"), and that the Charter Holder must update the membership with ACC to ensure continued alignment.
